SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants and their legal representatives hereby make of record on the attached Form PTO-1449 the following publication which is known to them and considered warranting disclosure under 37 C.F.R. §1.56 and 1.97-98. The publication is a published application that corresponds to an application that is co-pending with the instant application. A copy of the cited patent application publication is not submitted pursuant to 37 C.F.R. §1.98(a)(2)(ii).

The instant application is terminally disclaimed over U.S. Patent No. 5,591,721.

U.S. patent application publication No. 2004-0033980 published February 19, 2004, based on U.S. Serial No. 10/640,898, filed August 14, 2003, cited herein, as well as the instant application, claim priority to the same original parent patent application. The instant application is a continuation of U.S. Serial No. 08/758,005, filed November 27, 1996, which is a continuation-in-part of U.S. patent application Serial No. 08/709,910, filed September 9, 1996 (now abandoned), which is a continuation-in-part of U.S. patent application Serial No. 08/328,520, filed October 25, 1994, which issued as U.S. Patent No. 5,591,721. Issued U.S. Patent Nos. 6,608,035 and 6,645,943 also are continuations of U.S. Serial No. 08/758,005.

It is respectfully requested that the Examiner initial and return a copy of the subject Form PTO-1449 with the next Patent Office communication.

The submission of these publications does not constitute a representation by the Applicants that a search has been made or that no better art exists and does not constitute an admission that the listed publications are material or constitute "prior art." Applicants reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed publications, should one or more of the publications be applied against the claims of the present application.

As it is applicants' belief that the Supplemental Information Disclosure Statement is being filed pursuant to 37 C.F.R. §1.97(b)(4), before the mailing of a first Office Action after the filing of a Request for Continued Examination under §1.114, no fee is enclosed. However, in the event a fee is due, please charge any fee deficiency or credit any overpayment to Deposit Account No. 08-0219.

Respectfully submitted,

Dated: December 7, 2004
